**Panelist Questions:**

1. Would you add or change any of the proposed S&I jobs? If so, which ones and why?
  - Proposed Jobs of S&I Framework
    - Support national priorities and production use
    - Facilitate Federal participation in SDOs
2. How would the proposed criteria below have affected S&I initiatives in which you participated, had the criteria been in place at the time?
  - Proposed Criteria for defining “identified federal priorities”
    - Balanced Representation
    - Measurable, meaningful real-world results
    - Reasonable implementation path
    - Interim and long term goals/outcomes
    - Rapid Cycle Implementation
