To Whom It May Concern:

Quality Health Network is pleased to be able to continue to support our community's effort and progress towards improved quality and lower costs for the patients we serve. We hope we are able to add value in some way to our nation's efforts as well.

We are submitting the attached for your review and evaluation in support of the continued dialogue on how best to achieve Meaningful Use of Health Information Technology.

Thank you for the opportunity to comment.

Sincerely,

Dick Thompson
Executive Director / CEO
