

## Test Scenario Data for §170.314(a)(9) Electronic notes

Reference the Test Scenario Procedure for Test Scenario Data implementation guidance.

#### TD170.314(a)(9) – 1: Electronically Record Electronic Notes

#### Electronic Notes Test Data - Myra Jones

Patient has had a cholecystectomy and an appendectomy. Patient has a history of recurring urinary bladder infections.

#### Electronic Notes Test Data - Isabella Jones

Patient denies nausea and has not vomited, but is experiencing anorexia. Bowel movements are normal in color and consistency. The patient has had no fever or chills and has had no weight loss.

#### TD170.314(a)(9) – 2: Electronically Change Electronic Notes

#### Electronic Notes Test Data - Myra Jones

", but has had no bladder infections in the past 12 months" was added after "infections"

#### Revised Electronic Notes Data

Patient has had a cholecystectomy and an appendectomy. Patient has a history of recurring urinary bladder infections, but has had no bladder infections in the past 12 months.

#### Electronic Notes Test Data - Isabella Jones

"denies" was replaced with "is complaining of"

"not" before "vomited" was removed

"but is" was replaced with "and is also"

#### Revised Electronic Notes Data

Patient is complaining of nausea and has vomited, and is also experiencing anorexia. Bowel movements are normal in color and consistency. The patient has had no fever or chills and has had no weight loss.

#### TD170.314(a)(9) - 3: Electronically Access Electronic Notes

#### Electronic Notes Test Data - Myra Jones

Patient has had a cholecystectomy and an appendectomy. Patient has a history of recurring urinary bladder infections, but has had no bladder infections in the past 12 months.
