

The Office of the National Coordinator for
Health Information Technology

Federal Health IT Strategic Plan 2015-2020

ONC Annual Meeting

February 2, 2015

Seth Pazinski

Director, Office of Planning, Evaluation, and Analysis

Office of the National Coordinator for Health Information Technology

Overview of *Federal Health IT Strategic Plan 2015-2020*

www.healthit.gov/strategic-plan

History of Collaborative Planning

Year	Strategic Plan
2004	Framework for Strategic Action
2008	Federal Health IT Strategic Plan 2008-2012
2011	Federal Health IT Strategic Plan 2011-2015
2015	Federal Health IT Strategic Plan 2015-2020

The Federal Health IT Strategic Plan aims to:

- Move beyond health care to improve health
- Advance health IT beyond EHRs
- Use and coordinate policy & incentive levers beyond Meaningful Use
- Serve as an operational tool to manage federal activity and collaboration through Plan implementation and continual assessments

Federal Health IT Advisory Council

Participating Departments and Agencies

- Department of Agriculture (USDA)
- Department of Commerce
 - National Institute of Standards and Technology (NIST)
- Department of Defense (DoD)

- **Expand Adoption of Health IT**
- **Advance Secure and Interoperable Health Information**
- **Strengthen Health Care Delivery**
- **Advance the Health and Well-Being of Individuals and Communities**
- **Advance Research, Scientific Knowledge, and Innovation**

Vision

Health information is accessible when and where it is needed to improve and protect people's health and well-being

Mission

Improve health, health care, and reduce costs through the use of information and technology

Federal agencies will collaborate with one another and with state, local, tribal, and private stakeholders to:

- Focus on value
- Respect individual preferences
- Build a culture of electronic health information access and use
- Create an environment of continuous learning and improvement
- Encourage innovation and competition
- Be a worthy steward of the country's money and trust

Goal 1: Expand Adoption of Health IT

- **Objective 1A:** Increase the adoption and effective use of health IT products, systems, and services
- **Objective 1B:** Increase user and market confidence in the safety and safe use of health IT products, systems, and services
- **Objective 1C:** Advance a national communications infrastructure that supports health, safety, and care delivery

Goal 2: Advance Secure and Interoperable Health Information

- **Objective 2A:** Enable individuals, providers, and public health entities to securely send, receive, find, and use electronic health information
- **Objective 2B:** Identify, prioritize, and advance technical standards to support secure and interoperable health information
- **Objective 2C:** Protect the privacy and security of health information

Goal 3: Strengthen Health Care Delivery

- **Objective 3A:** Improve health care quality, access, and experience through safe, timely, effective, efficient, equitable, and person-centered care
- **Objective 3B:** Support the delivery of high-value health care
- **Objective 3C:** Improve clinical and community services and population health

Goal 4: Advance the Health and Well-Being of Individuals and Communities

- **Objective 4A: Empower individual, family, and caregiver health management and engagement**
- **Objective 4B: Protect and promote public health and healthy, resilient communities**

Goal 5: Advance Research, Scientific Knowledge, and Innovation

- **Objective 5A:** Increase access to and usability of high-quality electronic health information and services
- **Objective 5B:** Accelerate the development and commercialization of innovative technologies and solutions
- **Objective 5C:** Invest, disseminate, and translate research on how health IT can improve health and care delivery

Federal Health IT Strategic Plan

Outcomes

- Sets expected 3-year & 6-year outcomes
- Identifies federal agencies' commitment to be held accountable for achieving specific outcomes

Public Comment Period

- 60-Day public comment period ends: February 6, 2015
- Provide comments: www.healthit.gov/strategic-plan
- HIT Policy Committee provides feedback: February/March 2015
- Final Plan will be published in spring 2015

Implementation

- Federal partners will convene for Plan implementation, review public comments, and determine specific outcome metrics
