Annual Report Workgroup Scope

Overarching Scope:

The workgroup will inform, contribute to, and review draft and final versions of the HITAC Annual Report to be submitted to the HHS Secretary and Congress each fiscal year. As part of that report, the workgroup will help track ongoing HITAC progress.

Annual Report Workgroup Scope

Detailed Scope: Provide specific feedback on the content of the report as required by the 21st Century Cures Act including:

Analysis of HITAC progress related to the priority target areas

Assessment of health IT infrastructure and advancements in the priority target areas

Analysis of existing gaps in policies and resources for the priority target areas

Ideas for potential HITAC activities to address the identified gaps

Next Steps and Meeting Schedules

Annual Report Workgroup Next Steps

Next steps for FY18 report development:

1. HITAC full committee reviews report and suggests any further edits
2. HITAC full committee approves revised report
3. HITAC forwards the final report to the National Coordinator for Health IT
4. The National Coordinator forwards final report to HHS Secretary and Congress
