

HITPC-HITSC Joint API Task Force DRAFT Report of the January 12, 2016 Virtual Meeting

Names of ONC Staff Liaisons Present: Michelle Consolazio and Rose-Marie Nsahlai

Purpose of Meeting: To finalize plans for a public hearing

Meeting Outcome:

Task Force Co-Chairperson Meg Marshall reported on the status of plans for the upcoming hearing. ONC staff is in the process of confirming the invited panelists. Marshall showed a slide that listed the type of panelists invited for the following panels: consumer technologies, industry sectors, health care delivery, and HIT vendors. She referred them to a document circulated with other meeting materials that listed the questions asked of invited panelists. Consolazio described the process for running virtual hearings. Panelists were asked to submit written responses in advance of the meeting. Each panelist will be allowed 5 minutes. Members may ask questions either via telephone or chat box.

Marshall asked whether members had questions about the list of questions. None were heard. Marshall presented the task force schedule, which will culminate in the presentation of final recommendations to the joint HITPC and HITSC meeting April 19. Written testimony from the public will be accepted in addition to the public comment opportunity during the hearings. Robert Jarrin reported that he had identified a potential panelist to represent telehealth. He will send the information to Nsahlai. All agenda items having been presented, the meeting adjourned at 11:00 AM.

Next Step: The public hearings will convene January 26 and 28.
