

Minimum Required Terms and Conditions (MRTCs) Topic Mapping

This table identifies certain topics that have cross-cutting references throughout the MRTCs and provides the location of relevant definitions and sections pertaining to that topic. The purpose of this tool is to assist the TEFCA Task Force in understanding these cross-cutting topics in context. **This document alone does not provide a full and complete identification of all the provisions included in the MRTCs.**

Topics	Relevant MRTCs Definitions and Sections
